

## THE HEALING PROCESS PERMANENT COSMETICS

All clients immediately following any permanent makeup procedure:

DO NOT:

- ❖ Dust or vacuum for two days
- ❖ Touch the area with your fingers (especially the eyes!)
- ❖ Use any new products or makeup in the area for a week
- ❖ Use your finger or double-dip into any product provided
- ❖ Pick, peel or rub off any of the procedure
- ❖ Use Retin-A during the healing process (Retin-A will prematurely fade your permanent makeup; remember it spreads 1 ½ inches.)
- ❖ LIP clients: whitening toothpaste for two weeks post procedure
- ❖ EYELINER clients: mascara may be used three days post if NEW and NOT waterproof. Must wait 7-10 days before getting eyelash extensions.

PLEASE:

- ❖ Use a fresh laundered pillow case upon retiring
- ❖ Use a gentle face wash morning and at bedtime
- ❖ Shower as usual
- ❖ Always cover the ice bag with a zip lock bag or plastic wrap; chill in the fridge NOT the freezer
- ❖ If needed, OTC pain relievers are recommended
- ❖ If you must change your kitty litter yourself, please wear safety goggles for five days post procedure.

PLEASE CONTACT THE PERMANENT COSMETIC STUDIO IMMEDIATELY IF YOU HAVE ANY QUESTIONS OR CONCERNS REGARDING YOUR PROCEDURE.

## THE HEALING PROCESS PERMANENT COSMETICS

### MICROBLADING/BROW FUSION

- ❖ Keep as dry as possible. If you do wet, pat dry with fresh tissue/paper towel
- ❖ No makeup or product on eyebrows for 7 days

### POWDERFILL BROWS

- ❖ Apply antibiotic ointment the first and sixth night with q-tips
- ❖ **DO NOT** double-dip into product!
- ❖ In the five day interim use hydrocortisone IF NEEDED for itchiness
- ❖ It will take four weeks for the color to blossom! You cannot rush Mother Nature
- ❖ Be sure – not to pick, peel or rub permanent cosmetics

### EYELINER

- ❖ The morning after the procedure your eyes may appear puffy, like you were crying the night before. The puffiness usually dissipates in the afternoon.
- ❖ They may be sticky shut; that's **NORMAL**; splash a little water to release them
- ❖ Chill as needed with the ice bag – be sure to wrap ice bag with zip lock bag or plastic wrap
- ❖ Eyeliner area will crust on the fifth day
- ❖ Before bed on the sixth night apply the eye drops provided; one drop in each eye
- ❖ It will take four weeks for the color to blossom! You cannot rush Mother Nature

### LIP COLOR

- ❖ Immediately following the procedure, use the homeopathic cream provided (T-relief) as well as the numbing agent provided
  - ❖ Lips will appear very vivid and puffy for two days
  - ❖ Usually on the third day your lips will begin to crust; you may use a fresh tissue to remove excess peeling – keep moist with Aquaphor
  - ❖ **DO NOT** pick or encourage them to peel too quickly
  - ❖ Your lips will feel dry and dull for about one month
  - ❖ Your lips will appear very light after crusting
  - ❖ It will take six weeks for the color to blossom! You cannot rush Mother Nature
- \*\*\*If your pre medicated before your lip procedure, continue to do so for 7 days post treatment

### YOUR FOLLOW UP VISIT FOR MAXIMUM RESULTS

- All **NEW** permanent cosmetics require **TWO** visits. Schedule your second appointment as follows:
  - 4 weeks for eyebrows and eyeliner (eyeliner may require more visits depending upon the amount of eyeliner desired)
  - 6 weeks for lips
- All **COLOR BOOST** procedures are fine with one seating; it is not required to have a second visit unless it has been many years since procedure.
- We suggest a 3<sup>rd</sup> visit for full face procedures; inquire about pricing.
